Top Quality Professional Microphone, Signal and DMX Leads

Fed up with cables and leads breaking, or failing at an important time in your show or event?

Now is the time to upgrade your cables to the very best. Top quality Neutrik connectors with Tour Grade VanDamme Cable, as used by professional touring companies throughout the world. These cables will outlast anything you have ever used before and will withstand the rigours of "Tour abuse".

We carry a stock of pre-made cables and a component stock of both cable and connectors to manufacture to your requirements. Example prices are shown below:

CALL US NOW on 07850 969342 to place your cable orders or discuss your next move in terms of Sound Lighting and AV.
